By signing below, you are confirming that:

- you will protect and safeguard the network information against unauthorised publication or disclosure;
- you will ensure that the network information is held solely within Australia, and not accessible from outside Australia;
- you will not use network information for any reason or purpose except as required for the planning and execution of customer initiated contestable works;
- you will comply with any security measures in connection with network information that may be required by Ausgrid;
- you understand that Ausgrid makes no representation or warranty as to the accuracy, reliability, completeness or suitability for particular purposes of the information within WebGIS and that Ausgrid reserves its rights to make a final determination with regards to any network information;
- you acknowledge that your obligations to maintain the confidentiality of Ausgrid's network information, as provided under this authorisation, will continue beyond the completion or termination of your status as an ASP, or any engagement or assignment relating to contestable projects and that these obligations remain in force indefinitely; and
- you acknowledge and agree that Ausgrid may suspend or cancel your authorisation at any time on the grounds of non-compliance with Ausgrid policies and the conditions of your authorisation and accreditation with the NSW Department of Climate Change, Energy the Environment and Water - Accredited Service Provider Scheme Rules.
