

# **Guide to completing: Decommissioning Ausgrid Asset Application**

## Why use this form?

Apply to decommission existing Ausgrid network asset e.g. a pole, substation or switch.

## The application guide contains these sections:

- Form Symbols and what they mean ..... 3
- Location Information.....4
- Applicant Information..... 5
- Proposed Ausgrid Asset Decommissioning Details..... 7
- Summary ..... 8
- Declaration ..... 9
- Payment ..... 10

### *Why complete this form?*

Ausgrid needs the information requested in this form to assess your requirements and make an appropriate response.

### **IMPORTANT:**

You will need to complete all mandatory fields in order to be able to submit the form. Providing incorrect or incomplete information will result in an invalid application; this will mean that you will have to complete a new application and pay an additional submission fee.

*This form is designed to be completed by a Qualified Electrical Professional. To provide some of the answers to these questions you will need to consult an electrical contractor or Accredited Service Provider (ASP ) who may need to attend the site.*

## Reference Code

All Forms are identified by unique Reference Codes. Please keep a record of your application reference code. If you have enquiries about your application, we will require this number to assist you.

Reference Code : 0011613

**Note:** Ausgrid will not have visibility of your Reference Code until it is submitted.

## Navigation through the form
