

Staff Sharing Register

Ausgrid maintains this register in accordance with clause 4.2.4(b) of the Australian Energy Regulator (AER) Ring-fencing Guideline - Electricity Distribution (the Guideline).

The table below is in the format requested by the AER in February 2022

It sets out the staff who's positions in Ausgrid's Distribution Network Service Provider (DNSP) business are currently being shared (as at the date of the register) with Ausgrid's Related Electricity Service Provider (RESP).

These positions meet one or more of the below exceptions of the obligation for DNSP and the RESP to separate staff involved in provision or marketing of direct control services:

- s4.2.1(b)i.a - offices for staff who, in the course of their duties do not have access to electricity information;
- s4.2.1(b)i.b - offices for staff who, in the course of their duties have access to electricity information but do not have, in performing the roles, functions or duties of their staff position, any opportunity to use that electricity information to engage in conduct that is contrary to the DNSP's obligations under clause 4.1.
- s4.2.2(d) - member of the staff of a DNSP where the member of staff is an officer both of the DNSP and of a related electricity service provider.
